2025 YEAR END NEWSLETTER

God grows things. He is a God of growth. Just observe an acorn become an oak tree over many years. Watch a baby grow into a man. It doesn't happen overnight, and even through setbacks growth can still happen. What steps appear to have been lost is often a discouraging mirage from Satan. That gives me hope! Growth is our focus at Reach as we help our students reach for Godliness, Success, and a Love of Learning.

This past summer we got a glimpse into God's way of restoration in our lives. He removes things so he can rebuild. We removed old materials and walls for new walls and new space. It's been a gift to serve our students better. We need your help to finish paying off the process. ~ Zac Weaver, Administrator
